

The Kunsang Yeshe Centre needs your help

Kunsang Yeshe Centre is now happily settled in its new place at 'Escarpment Estates' in Katoomba. The place is ideally suited to many people visiting and offers us such wonderful facilities as a large gomba, shop area, meeting space, outside seating and a beautiful garden area.

We need your help, as our revenue increases and many projects and programs take fruition.

The Centre is entirely dependent on your kindness and generosity. We are entirely funded by the Centre's own activities. Everyone who works or helps at the Centre does so on a volunteer basis. **Simply put, if it was not for you, the Centre could not exist.**

So we are making this special heart felt appeal to each of you. If you've ever experienced even one moment of understanding, connection, discovery & delight from what this Centre offers you then please join our Rental Scheme Donors to keep our vision alive.

If 60 people donate just \$5 per week then we'll go a long way to cover our weekly costs. If 60 people donated \$10 per week then we would be assured of covering our costs in running the Centre.

Even one-off donations will have an unbelievable impact in helping us continue to exist. Please don't think that someone else may be the person to answer our request for support. Consider the importance and benefit of having our Centre here in the mountains - your Centre, your Sangha.

Join the rental donors by setting up a regular direct deposit from your bank to ours:

Add your initial/surname and 'rent donation' to the description field.

As a show of gratitude and appreciation we'll offer you dedication prayers on Buddhist Holy Days & at our regular monthly pujas, extend private invitations to special annual events, plus delight in the oceans of merit you create in building a Dharma Centre.

There has been a small group of rental donors in operation for some years now – to those kind and generous supporters we offer our sincere gratitude and thanks. You're the quiet achievers who have believed in this Centre over the years. **Join them & us in helping to relieve the suffering of living beings with the medicine of dharma.**
